## **Sport Premium**

Date of last review: September 2016

Date of next review: September 2017

## Sport Premium Statement

The Sport Premium is an amount of money given to schools in addition to their main budget. Every school receives a fixed amount of funding for each pupil. The funding is provided to schools so that they can further develop and improve the provision of PE and Sport. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

### How we utilised the funding in 2015 - 2016

In the academic year 2015 to 2016 the school received £10,335 Sport Premium funding. The school spent the money in the following ways:

Activities Selected	What this does	Targeted Pupils	Cost	Impact
1. Training in the teaching of Gymnastics for the sports coach.	To enrich the sports coach CPD by training him to teach gymnastics. Provide the school with Gymnastics resources to use throughout the school including knowledge which can be cascaded to other teachers.	All pupils across the primary school.	£242	Teachers have up to date skills and refreshed confidence in teaching gymnastics to a high standard.  The school has a fresh bank of resources and ideas, pupils are engaged and enjoy these lessons whilst learning as much as possible.
2. Level 5 Coaching course for sports coach.	To enable the sports coach to provide PE at a primary level that meets all the requirements of the national curriculum.	All pupils across the primary school.	£1,932	CPD opportunities for the PE coach have enabled him to teach PE to all of the primary aged children covering all aspects of the national curriculum including games.
3. To continue offering breakfast, lunch time and after school clubs organised and run by the sports coach.	To provide physical education opportunities for pupils before, during and after the school day. To enrich and build on skills and enjoy extended times of physical activity.	All pupils across the primary school.	£6,985	The provision of PE / sports clubs across the school day including before and after school have been accessed by many pupils. The clubs this year have been provided free and have encourage a wider range of pupils to attend; they say they have enjoyed trying new sports/ games.

4. To offer a dance club.	To provide different sport activities as after school clubs including dance.	All pupils across the primary school.	£545	Offered free so that all children are able to attend. All places in club filled during Autumn term. NB. Actual spend reduced due to staff availability. Club ran from September 2015 to December 2015.
5. Sports Day medals.	To encourage pupils to be excited about competition, and feel rewarded for participating.	All pupils across the primary school.	£300	Children across the school are now able to demonstrate generally good sporting behaviours, engagement, pride and enjoyment during main events. Sports day feedback from parents was very positive across the school.
6. Enhance the Sports Day planning, to provide a high quality event.	To be able to plan and deliver a sports day where all pupils are included and will compete at level 1.	All pupils across the primary school.	£333	Most children have begun to understand the meaning of competition. They understand how to be a good sportsperson. Pupils have had an opportunity to practice and showcase their skills in front of an audience. Sports day was well organised and ran smoothly and was enjoyed by all.

## How we plan to utilise the funding in 2016 - 2017

In the academic year 2016 to 2017 the school will receive £10,385 Sport Premium funding. The school plans to spend the money as follows:

Activities Selected	What this does	Targeted Pupils	Cost	Desired Impact (Reviewed at the end of the academic year)
<p><i>Ofsted 2016 - 'Leaders use the primary school physical education and sport premium very well to enhance pupils' physical and emotional well-being. Pupils talk excitedly about sports clubs and physical education lessons. Parents who spoke with inspectors commented on their children's increased interest and involvement in sport over the past year.'</i></p>				
<p>The activities invested in during 2015-2016 will continue into 2016-2017.</p>	<p>The aim will be for the national curriculum sport and PE requirements to be met across every year group with the addition of extra-curricular sport and PE opportunities for all pupils either before during or after school.</p>	<p>The focus will continue to ensure that as many pupils as possible attend additional sport clubs and provision on offer. Focus on pupils eligible for PP and SEND.</p>	<p>Provision of after school sports activities £6,135</p> <p>Provision of lunchtime sports activities £1,950</p> <p>Provision of additional PE and games lessons for targeted groups £1500</p> <p>Resources for Sports Day £600</p> <p>Travel costs to attend tournament £200</p>	<p>The key impact for 2016-2017 will be to build on the previous impact from 2015-216. All clubs will be full and attended by a range of pupils from across year groups and identified groups. Pupils will continue to engage well with sport and games provision. School sport teams will attend and compete in local leagues and competitions giving some pupils a more competitive experience.</p>
