Remote Learning Policy

For the purpose of school closure and non-attendance due to isolation or
medical restrictions

(Weston Park and Weston Shore wholly adopt the Hamwic Trust Policy)

Date of last review: January 2021

Date of next review: January 2022

Aims

- To ensure there is a planned approach to remote learning during full and partial school closures
- To ensure there is a planned approach for any 1:1 remote learning
- To set out expectations of staff providing remote learning
- To set out expectations of children receiving remote learning
- To provide appropriate safeguarding and data protection guidelines

Context

The most recent government expectation of online learning can be found in the document *Restricting Attendance During the National Lockdown: Schools* (7th Jan 2021). The key expectations in this document are:

- The remote education provided should be equivalent in length to the core teaching pupils would receive in school and will include **both** recorded or live direct teaching time, **and** time for pupils to complete tasks and assignments independently
- The amount of remote education provided should be, as a minimum:
 - Key Stage 1: 3 hours a day on average across the cohort, with less for younger children
 - Key Stage 2: 4 hours a day
 - Key Stages 3 and 4: 5 hours a day
- When planning and delivering remote education:
 - teach a planned and well-sequenced curriculum so that knowledge and skills are built incrementally, with a good level of clarity about what is intended to be taught and practised in each subject so that pupils can progress through the school's curriculum
 - select a digital platform for remote education provision that will be used consistently across the school in order to allow interaction, assessment and feedback and make sure staff are trained and confident in its use.
- Overcome barriers to digital access for pupils by:
 - distributing school-owned laptops accompanied by a user agreement or contract
 - providing printed resources, such as textbooks and workbooks, to structure learning, supplemented with other forms of communication to keep pupils on track or answer questions about work.
- Have systems for checking, daily, whether pupils are engaging with their work, and work with families to rapidly identify effective solutions where engagement is a concern
- Identify a named senior leader with overarching responsibility for the quality and delivery of remote education, including that provision meets expectations for remote education
- Publish information for pupils, parents and carers about their remote education provision on their website by 25 January 2021 – an optional template is available

Hamwic Trust Expectations

In addition to the above guidelines, the Hamwic Trust Executive have set the expectation that:

- Where recorded lessons are being used from external sources, such as the Hamwic Online YouTube site, Oak Academy or the BBC teaching programme, schools will ensure there is at least one recorded or live input from a teacher in the child's year group daily. For example:
 - a welcome at the beginning of the day to set out what the learning will be

Date of last review: January 2021

Date of next review: January 2022

- a class/year group assembly
- a class/year group story
- Vulnerable children receiving remote learning will be contacted at least 3 times a fortnight to check on their progress and wellbeing
- All children will receive a personal contact from a member of the school staff at least once a fortnight.

Staff expectations

If staff are given permission to carry out remote learning activity from home, they are expected to:

- Dress professionally for any lessons
- Be available to respond to children and carry out other work duties required from 10 minutes before the school day begins to 10 minutes after the school day ends
- Respond to messages received from children and parents within the working day about the remote learning on that same day
- Alert the DSL and senior leaders on the second day a child does not attend or access the work set
- Ensure children understand the behaviour expectations within a live lesson
- Only respond to a child or parent using a work email or platform account

Attendance

- Parents will be asked to notify the school if their child is unwell and is unable to access remote learning. In this case, the attendance code will remain X. However, teachers will make a note not to expect the child to attend/submit learning on this day
- Where a staff member leading remote learning becomes unwell, parents will be notified if this means learning will be sent or delivered by a different school contact.

Safeguarding

Date of last review: January 2021

Date of next review: January 2022

- Staff are required to alert the Designated Safeguarding Lead (DSL) if they have any concerns about a child's welfare during a period of remote learning
- The school will continue to engage with social services and attend meetings where necessary
- Any parent who wishes to raise a safeguarding concern should do this in the usual way via the school office who will put them in contact with the DSL or Headteacher
- The school will ensure that online safety is referenced regularly within a period of remote learning. Parents will be reminded of the need to ensure their child is only accessing appropriate content while away from school and that personal data is being protected.
<https://www.bbc.co.uk/newsround/44074704>
- Pupils are encouraged to communicate through the remote platform/school email system rather than by personal email. Where a child uses a personal email the teacher will ensure that any response also copies in the parent (or line manager if the parent email isn't available)

Health and wellbeing for staff while working remotely

- In addition to the many resources available on the HET Health and Wellbeing intranet pages, there is a specific section on COVID-19: <https://intranet.hamwic.org/health-wellbeing-for-staff/>
- Staff can access our confidential Employee Assistance Programme, via Health Assured, offering 24-hour assistance and support, 7 days a week. The number is 0800 0305 182.
- Able Futures offer an access to work mental health support service and can be contacted on 0800 321137.
- The Department for Education is providing additional support for both pupil and staff wellbeing in the current situation. Information about the [extra mental health support for pupils and teachers](#) is available.
- The [Education Support Partnership](#) provides a free helpline for school staff and targeted support for mental health and wellbeing.
