

# Weston Schools Federation Weekly Winners & Attendance Newsletter

## Celebration - Friday 28th November 2025

At Weston Schools' Federation, we celebrate and value children being in learning because it fosters a love of education and personal growth. By working hard and meeting our core values - being **safe**, **responsible**, **respectful** and being a **learner**, - pupils thrive academically and socially, becoming well-rounded individuals ready to succeed in school and beyond.

Congratulations to the following children who have been awarded the 'Pupil of the Week' certificate this week for upholding the Weston Schools' Federation core values.

Reggie has had a fantastic week! He has tried so hard in all of his learning, particularly his phonics! We were blown away by how hard he worked on his letter formation this week. Reggie's perseverance and resilience towards his learning has improved so much since the start of the year and he is willing to have a go at most activities. Well done Reggie; we are so proud of you!

#### Class FC winner is Everyone.

I was so proud of our whole class for their wonderful behaviour on their woodland walk. The children followed all our values and were Safe, Respectful and Responsible whilst out on their trip. They used their understanding of settings to look for where different animals would live. They found underground houses, log-pile houses, nests, and holes in trees where Stickman might live. Well done Year R, you have been amazing. Thank you.

We are particularly impressed with Harley's writing—he has worked his socks off to improve his handwriting and now his letters are smaller, neater and sit beautifully on the line. Well done Harley, we are very proud of you.

## Attendance

# ATTENDANCE MATTERS

On Time: First Time, Every Time

## Which CIRCLE are you in?

The government have placed huge emphasis on the monitoring of attendance in schools and have published guidance on 'improving attendance in school'. This initiative stems from vast research that proves that children who achieve great academic success in Year 6 (KS2 SATs) and Year 11 (GSEs) are those same children who have good attendance in school above 96%. We want (as I am positive you do too) for your child to have the best opportunities in life and to grow up to be successful young adults. To ensure this, it is our joint responsibility to ensure children receive their entitlement and right to an education, this means attending school every day. We have shared with you our school's approach to managing and challenging poor attendance. If you have any questions, please feel free to contact us.

Moments Matter / Attendance Counts. We are working hard to support you and your children overcome their barriers to attending school every day and on time - if you need help or support please see Nicki Windle, Jan Carr or Charlotte Dugdale. Let's work together to make sure your children don't miss out!

## Weekly Attendance

This weeks attendance winners are Year 1 in Weston Shore, Year R and Year 6 Weston Park.

Congratulations to all the children in the winning year groups, what an outstanding attendance this week! Your dedication to being present and engaged in your learning is truly commendable. Keep up the fantastic work, and continue to set a great example for the rest of the school.
