

Weston Schools Federation Weekly Winners & Attendance Newsletter

Celebration - Friday 19th June 2026

At Weston Schools' Federation, we celebrate and value children being in learning because it fosters a love of education and personal growth. By working hard and meeting our core values - being **safe, responsible, respectful** and being a **learner**, - pupils thrive academically and socially, becoming well-rounded individuals ready to succeed in school and beyond.

Congratulations to the following children who have been awarded the 'Pupil of the Week' certificate this week for upholding the Weston Schools' Federation core values.

Parent Survey

Your voice matters to us! Please take a few minutes to complete our parent survey and help shape the future of our school.

Reception

Class FD winner is Roman

Roman has settled into school really well! He has made lots of friends, he is polite and kind to others. Roman has been working really hard in phonics to learn his phase 2 sounds and spell CVC words. Roman has grown in confidence to share his ideas and communicate with others. Well done for all your hard work Roman!

Class FR winner Aiyla

Aiyla has been a super star this week! We have been writing simple sentences about our story 'Oh No Flo!' Aiyla is now segmenting words independently and using the phonic sounds that she knows. Aiyla has been working on her handwriting and you can see she has made great progress with this. Well done! Aiyla keep up the hard work!

Class FC winner is Elijah

For demonstrating fantastic accuracy in writing sentences and showing a great understanding of phonics and full stops.

Elijah, you are beginning to think carefully about using capital letters, and it is wonderful to see you reading back and editing your work to make it even better.

Your resilience is growing every day, and your determination to improve is truly impressive.

Keep up the brilliant effort – you should be very proud of yourself!

We are so proud of you!

Year One

Class 1R winner is Tommy

Tommy has been working so hard to improve writing and we are super proud of him. His handwriting is now showing much clearer and more controlled letter formation. Tommy is also developing his Year 1 writing skills beautifully, consistently remembering to use capital letters and full stops in his sentences. Tommy has impressed us with his growing positive attitude and resilience to the challenges of writing. He has shown that he has super concentration and determination to get things done.

Well done Tommy!

Class 1G winner is Ini

This week, Ini has tried hard in her handwriting lessons to ensure her ascenders and descenders are correct and she applied these skills in her independent write. She also independently read her work back, checked it and changed it where it didn't make sense to create a high-level piece of work about a storm.

We are so proud of you Ini– keep it up!

Class 1S winner is Phoebe

Well done Phoebe for the fantastic effort you are putting into improving your handwriting. It is wonderful to see how your writing is becoming more consistent across all subjects. You are doing an excellent job of recognising when a letter has not been formed correctly and independently editing your work to improve it. This shows great focus, independence, and pride in your presentation.

Keep up the brilliant work – we are very proud of you!

Year Two

Class 2M winner is Jacob

Jacob had some great ideas for his sentences this week when writing about his fantasy monster. He went on to independently write sentences that included ambitious vocabulary as well as a range of conjunctions.

I loved your writing Jacob. The way you described your monster made it so easy to imagine and it was very scary!

You are also very confident at using accurate punctuation and are trying hard to write your letters the correct size.

Super work! Keep it up!

[Class 2A winner is Cody](#)

Cody has been very resilient this week, when he faced a maths problem he struggled with he did not give up, instead he worked hard to try a range of methods to find an answer. He has also amazed us in writing lessons, when writing he made sure his sentences were accurate, including his full stops and capital letters. Then when publishing his work, he joined his handwriting, keeping the letters the correct size, to ensure beautiful presentation.

[Class 2T winner Nico](#)

Well done, Nico, for your excellent progress as a skilled Year 2 writer. You are confidently applying all the taught skills and demonstrating a strong understanding of sentence construction. It is wonderful to see you using full stops, capital letters and apostrophes accurately, and your presentation is always to the highest standard.

What is particularly impressive is your positive attitude towards improvement. You are consistently editing your work as you go and actively looking for ways to upskill and refine your writing at every opportunity. This dedication is really helping you grow in confidence and accuracy.

Keep up the fantastic effort

Year Three

[Class 3RM winner is Maisie](#)

Maisie is a precise and articulate writer. When it comes to non-negotiables such as handwriting, spelling and grammar, Maisie can construct interesting and accurate sentences which aid the flow of her writing. She is developing the breadth of her vocabulary and has produced a well written setting description this week. Well Done, Maisie!

[Class 3TJ winner is Rosie](#)

Rosie has had an incredible week. For a while, Rosie has been focused and working extremely hard on her letter size and overall presentation. So, reading her setting description this week was a joy as her writing was neat, clear and she encapsulated me as a reader. Well Done Rosie and keep it up!

Class 3D winner is Matilda

Matilda has completely smashed it this week! She has achieved her best ever results in her tests this week and this is a result of her incredible hard work. Matilda always takes care in what she does and this is also shown in the presentation of her work too. Well done Matilda!

Year Four

Class 4C winner is Jacob

This week, Jacob has shown great progress in his writing skills. He is using capital letters more accurately as well as the use of fronted adverbials and adverbs to add more detail to his work. These improvements are helping to make his writing more interesting and engaging.

Well done Jacob! Keep up the great work!

Class 4V winner is Peaches

Peaches has shown exemplary presentation in her work this week. She has ensured her letter formation and size is consistent. Peaches always tries her best to complete work to the best of her ability and in good time. You are an excellent role model to the class.

Class 4K winner is Yusra

This week, Yusra has continued to demonstrate that she can write sentences that are clearly punctuated and her presentation is amazing as always! She has also scored really well in her recent maths and reading tests! Keep up the fantastic work Yusra!

Year Five

Class 5F winner is Pawel

Pawel has shown huge improvements in the composition of his writing. He is now, frequently and consistently, using accurate punctuation and spelling. He is thinking carefully about how to construct his sentences and paragraphs to enhance his writing.

Well done Pawel!

Class 5D winner is Esme

Esme has worked really hard in her writing this week. I have been so impressed with how she has put extra effort into expanding her sentences to improve their quality.

Well done Esme!

At Weston Schools Federation, one of our key Oracy Benchmarks is **“Values Every Voice.”** This reflects our commitment to ensuring that every child is supported to take part confidently in spoken language activities and to know that their ideas matter.

This week, our children have been practising this benchmark by expressing gratitude and sharing kind words with others. **Below, you’ll find some of the thoughtful messages of thanks they have chosen to share.**

Year R - Ayvah "I appreciate Adar, he is my friend"

Year 1 - Ellis - "I appreciate Matthew because he plays with me and he is a good friend."

Year 2 - Zuzanna - "I would like to show appreciation to Nevaeh because she helped me when I had a problem with friendships and helped me to solve it"

Year 3 - Jessica - "I would like to show appreciation to Tallulah because she always does skipping with me at lunchtimes."

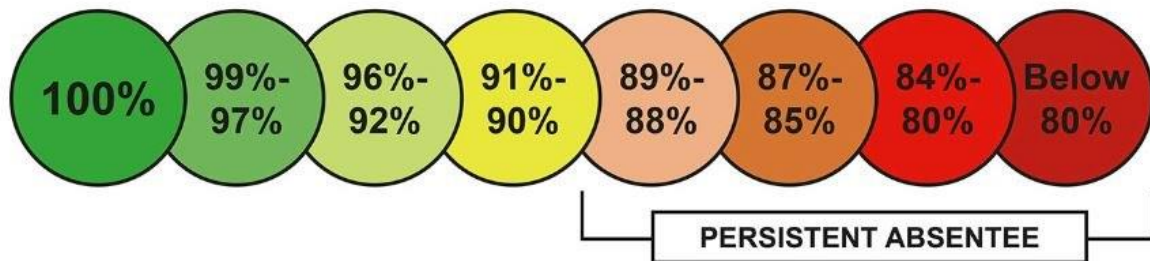

Year 4 - Yusra - "I would like to show appreciation to Mrs Edwards for helping me in my learning."

Year 5 - Ianis, "I want to show appreciation to Dannah for hanging out with me and break and lunch times"

Year 6 - Imogen - "I would like to show appreciation to Miss Windle for calming me down when I'm upset."

ATTENDANCE MATTERS

On Time: First Time, Every Time

Which CIRCLE are you in?

The government have placed huge emphasis on the monitoring of attendance in schools and have published guidance on 'improving attendance in school'. This initiative stems from vast research that proves that children who achieve great academic success in Year 6 (KS2 SATs) and Year 11 (GCEs) are those same children who have good attendance in school above 96%. We want (as I am positive you do too) for your child to have the best opportunities in life and to grow up to be successful young adults. To ensure this, it is our joint responsibility to ensure children receive their entitlement and right to an education, this means attending school every day. We have shared with you our school's approach to managing and challenging poor attendance. If you have any questions, please feel free to contact us.

Moments Matter / Attendance Counts. We are working hard to support you and your children overcome their barriers to attending school every day and on time - if you need help or support please see Nicki Windle, Jan Carr or Charlotte Dugdale. Let's work together to make sure your children don't miss out!

Weekly Attendance

This weeks attendance winners are Year 2 and Year 3 at Weston Park, and Year 2 at Weston Shore.

Congratulations to all the children in the winning year groups, what an outstanding attendance this week! Your dedication to being present and engaged in your learning is truly commendable. Keep up the fantastic work, and continue to set a great example for the rest of the school.

Safety at Weston Schools' Federation

At Weston Park Schools Federation, we learn how to stay safe in lots of ways. Our curriculum teaches children about online safety, road safety, health and wellbeing, and how to keep themselves and others safe. Pupils practise speaking up, asking for help, and making sensible choices. Assemblies, visitors from the community, and regular drills help reinforce key messages, ensuring children feel confident, supported, and safe every day at school. Working together builds trust, awareness, and responsibility across our school community.

BE SMART ONLINE

S SAFE  Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M MEET  Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk

A ACCEPTING  Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R RELIABLE  You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T TELL  Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline - 0800 11 11 or www.childline.org.uk

BE SMART WITH A HEART  Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
