Attendance

ATTENDANCE MATTERS

On Time: First Time, Every Time

Which CIRCLE are you in?

The government have placed huge emphasis on the monitoring of attendance in schools and have published guidance on 'improving attendance in school'. This initiative stems from vast research that proves that children who achieve great academic success in Year 6 (KS2 SATs) and Year 11 (GSCs) are those same children who have good attendance in school above 96%. We want (as I am positive you do too) for your child to have the best opportunities in life and to grow up to be successful young adults. To ensure this, it is our joint responsibility to ensure children receive their entitlement and right to an education, this means attending school every day. We have shared with you our school's approach to managing and challenging poor attendance. If you have any questions, please feel free to contact us.

Moments Matter / Attendance Counts. We are working hard to support you and your children overcome their barriers to attending school every day and on time - if you need help or support please see Nicki Windle, Jan Carr or Charlotte Dugdale. Let's work together to make sure your children don't miss out!

Weekly Attendance

This weeks attendance winners are Year R and Year 6 at Weston Park, and Year 1 at Weston Shore.

Congratulations to all the children in the winning year groups, what an outstanding attendance this week! Your dedication to being present and engaged in your learning is truly commendable. Keep up the fantastic work, and continue to set a great example for the rest of the school.

Safety at Weston Schools' Federation

At Weston Park Schools Federation, we learn how to stay safe in lots of ways. Our curriculum teaches children about online safety, road safety, health and wellbeing, and how to keep themselves and others safe. Pupils practise speaking up, asking for help, and making sensible choices. Assemblies, visitors from the community, and regular drills help reinforce key messages, ensuring children feel confident, supported, and safe every day at school. Working together builds trust, awareness, and responsibility across our school community.
