

Weston Schools Federation Weekly Winners & Attendance Newsletter

Celebration - Friday 9th October 2026

At Weston Schools' Federation, we celebrate and value children being in learning because it fosters a love of education and personal growth. By working hard and meeting our core values - being **safe, responsible, respectful** and being a **learner**, - pupils thrive academically and socially, becoming well-rounded individuals ready to succeed in school and beyond.

Congratulations to the following children who have been awarded the 'Pupil of the Week' certificate this week for upholding the Weston Schools' Federation core values.

Reception

Class FRD winner is Faith

Faith has been working really hard on her listening and attention skills. We have been amazed by her super sitting on the carpet and how brilliantly she joins in with phonics.

Faith is always helpful and kind to her friends and teachers. We also really enjoyed listening to Faith share her 'All About Me' poster with the class.

We are so proud of you, Faith! Keep up the fantastic hard work!

Class FRS winner is Jax

I am so proud of Jax this week. He has been trying really hard to get his name moved up and earn blue and pink postcards. Jax has been excellent at tidying up after himself and has even been helping others put things away too! Jax's listening on the carpet has really improved and he is working on being more independent and resilient in Phonics. Well Done, Jax!

Class FS winner is Kallie-Rose

Kallie-Rose has shown fantastic independence during Discovery Time this week and we can always find her having a go at all of the activities. She approaches new challenges with confidence and enthusiasm. We are especially proud of how hard she has worked on standing up to speak during class discussions and sharing her ideas with the class. Well done, Kallie-Rose! Keep up the amazing work!

Year One

Class 1R winner is Ben

Ben has shown great maturity in his learning this week by following instructions carefully, working independently and completing his work to a good standard. He approaches tasks with focus and perseverance, and his consistent effort has been fantastic to see.

Well done, Ben!

Class 1HB winner is Skylar

Skylar independently wrote three sentence in English and remembered her capital letter, finger spaces and full stops! She has worked so hard to remember her finger spaces!

Class 1T winner is Eli

Eli is a fantastic role model to the rest of the class. He follows instructions first time and listens well to whole class inputs. This supports him in his learning meaning that he can work independently. Well Done Eli we are very proud of you!

Year Two

Class 2M winner is Komeil

Komeil has had a fantastic week this week. He has been focused on all his learning and trying his absolute best. He has been listening carefully and following instructions the first time and working independently. We are very proud of him. Well done Komeil!

Class 2T winner is Jesse

Jesse has made a good start to Year 2. He has been working hard in every lesson and this week it was very noticeable that he has been challenging himself to complete his work and apply previously taught skills within lessons. Such as within writing where he has applied adverbs independently. He has also been making sure to use scaffolds within the classroom when stuck, which has been helping him to work independently.

Class 2DG winner is Maya

Maya is a wonderful member of our class and a pleasure to teach. She is kind, patient, and caring, and always approaches her learning with a positive attitude and a smile on her face. Maya contributes confidently during lessons and is a fantastic role model for others. She has many friends and is always willing to support her classmates, as well as other children across the school during after-school club.

Well done Maya! Keep it up!

Year Three

Class 3C winner is Eriife

This week, Eriife has shown improvement in confidently rounding numbers to the nearest multiple of 100. She has also demonstrated good oracy skills by working hard to answer questions in full sentences. In addition, she has been demonstrating the use of Makaton during the register.

Well done Eriife! Keep it up!

Class 3G winner is Cody

Cody has had a fantastic week! He has been very successful with rounding to the nearest 10's and 100's while using oracy skills to support his understanding. He has also been very focused on his handwriting and shown amazing resilience.

Well done Cody!

Class 3W winner is Anne

Anne has had a fantastic week in Year 3 and I am so proud of her! Anne is an incredible friend and is always looking out for her classmates and other children across the school. She is always so kind and helpful and is a fantastic role model to others. Keep up the brilliant work Anne!

Year Four

Class 4M winner is Lee

Lee has shown a fantastic improvement in his listening and attention this week. This has helped him to produce better writing and make great progress in his learning. He has also worked hard when using formal methods for addition and subtraction showing more accuracy in his work. Keep up the great effort Lee!

Class 4K winner is Ronnie

Ronnie is a great mathematician and always works efficiently. His presentation in his books is improving all the time. Ronnie always has a positive mindset and is a pleasure to teach. Keep up the hard work Ronnie, you are a total super star!

Class 4TJ winner is Lola

Lola has been awarded Pupil of the Week for her fantastic attitude to learning. She has been consistently following instructions the first time, confidently sharing her own ideas, and making sure she finishes her work. Lola has also shown great independence in class by working hard on her own and taking responsibility for her learning.

Well done Lola and keep it up!

Year Five

Class 5F winner is Mia

Mia has shown huge improvements in her independence this week. She has finished all of her tasks with great resilience and is needing far less prompting to start after an instruction.

Well done, Mia!

Class 5D winner is Matthew

Matthew has used his oracy skills well this week. He has confidently and respectfully challenged others and put his own ideas forward and communicated them clearly with others in English, maths and science. We were particularly impressed with his excellent scientific knowledge and the way he used this to explain himself.

Class 5G winner is Peaches

Peaches has really impressed me with her confidence in maths this week! Her oracy has been brilliant. She confidently explained her "messy thinking" during our class discussion and ALWAYS shows respect and active listening when others are talking. She is a delight to have in the class - Keep up the good work!

Year Six

Class 6G winner is Pawel

Pawel works tirelessly to complete tasks. Recently he has developed strategies of self-help; looking back at teacher models, checking the working wall and working alongside peers before asking for help. This surge in confidence has been great to see. It's been wonderful to see Pawel's determination when tackling long division this week. Well done Pawel!

Class 6P winner is Freddie

Freddie has been awarded Pupil of the Week for showing independence when seeking challenge. Freddie made the decision to listen in to an input I was giving to another child. He then quickly finished his own task and tried the challenge, without being asked, based on what he had overheard. He was very successful! This shows such a great attitude to learning and a strong desire to make exceptional progress this year. Well done Freddie - what a fabulous choice!

Class 6L winner is Kyron

Kyron has really impressed me with his attitude to maths this week! He has been working incredibly hard; showing great determination to tackle increasingly challenging maths problems. His hard work is really paying off, and it has been wonderful to see him growing in confidence! Keep it up Kyron!

Weekly Appreciations

At Weston Schools Federation, one of our key Oracy Benchmarks is **“Values Every Voice.”** This reflects our commitment to ensuring that every child is supported to take part confidently in spoken language activities and to know that their ideas matter.

This week, our children have been practising this benchmark by expressing gratitude and sharing kind words with others. **Below, you'll find some of the thoughtful messages of thanks they have chosen to share.**

Year 1 - Lucas - "I appreciate Louie because he always plays with me and he makes me laugh."

Year 2 - Malachite - "I would like to show appreciation to Maisie-Mae because when I'm sad she always cheers me up."

Year 3 - "I want to show appreciation to Ivy for being an expert and helping me and Marcie in computing this week." Mrs Pond.

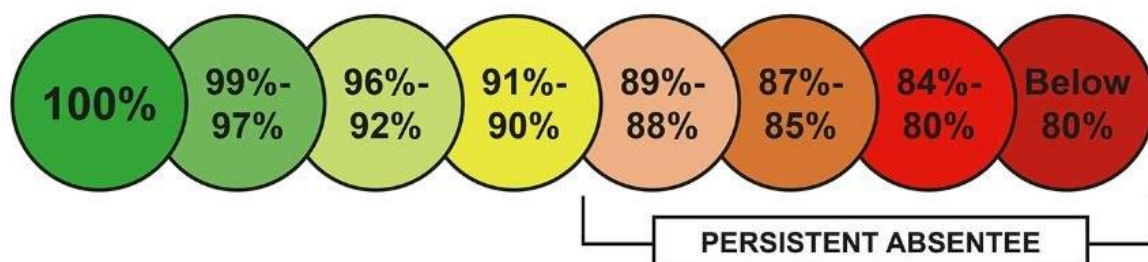

Year 4 - "I appreciate Mrs Blackman for helping us learn column subtraction in maths." ~ Sadaan, Logan, Reggie and Arlo

Year 5 - "I appreciate Porsha for being a helpful friend." ~ Renee

Year 6 - "I would like to show appreciation to Miss Lawrence for playing Connect 4 with me on the Residential" - Willow

ATTENDANCE MATTERS

On Time: First Time, Every Time

Which CIRCLE are you in?

The government have placed huge emphasis on the monitoring of attendance in schools and have published guidance on 'improving attendance in school'. This initiative stems from vast research that proves that children who achieve great academic success in Year 6 (KS2 SATs) and Year 11 (GSEs) are those same children who have good attendance in school above 96%. We want (as I am positive you do too) for your child to have the best opportunities in life and to grow up to be successful young adults. To ensure this, it is our joint responsibility to ensure children receive their entitlement and right to an education, this means attending school every day. We have shared with you our school's approach to managing and challenging poor attendance. If you have any questions, please feel free to contact us.

Moments Matter/Attendance Counts. We are working hard to support you and your children overcome their barriers to attending school every day and on time - if you need help or support please see Nicki Windle, Charlotte Dugdale. Let's work together to make sure your children don't miss out!

Weekly Attendance

This weeks attendance winners are FRS and joint Year 4 & 5 at Weston Park, and Year 2 at Weston Shore.

Congratulations to all the children in the winning year groups, what an outstanding attendance this week! Your dedication to being present and engaged in your learning is truly commendable. Keep up the fantastic work, and continue to set a great example for the rest of the school.

Safety at Weston Schools' Federation

At Weston Park Schools Federation, we learn how to stay safe in lots of ways. Our curriculum teaches children about online safety, road safety, health and wellbeing, and how to keep themselves and others safe. Pupils practise speaking up, asking for help, and making sensible choices. Assemblies, visitors from the community, and regular drills help reinforce key messages, ensuring children feel confident, supported, and safe every day at school. Working together builds trust, awareness, and responsibility across our school community.

BE SMART ONLINE

S

SAFE

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M

MEET

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk

A

ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R

RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T

TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline - 0800 11 11 or www.childline.org.uk

♥

BE SMART WITH A HEART

Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.

STOP AND THINK

STAY TOGETHER

FLOAT

CALL 999/112

STOP DROP and ROLL

If your
clothes ever
caught fire,
would you
know what
to do?

ROOM  MEDIA

DROP

**Fall onto the floor and
cover your face with
your hands.**

The flames will be pointing
away from your face if you
are lying down.

ROLL

**Roll on the floor from
side to side.**

This will put out the flames.

ROAD SAFETY

THINK

about where
you should cross.

STOP

in a safe place
at the side
of the road.

USE YOUR EYES & EARS

to see and hear
any approaching
vehicles.

WAIT

until all the
vehicles have
passed.

LOOK AND LISTEN

again to make
sure all is clear.

CROSS

the road.
Keep looking
and listening.
