

Weston Schools Federation Weekly Winners & Attendance Newsletter

Celebration - Friday 2nd October 2026

At Weston Schools' Federation, we celebrate and value children being in learning because it fosters a love of education and personal growth. By working hard and meeting our core values - being **safe, responsible, respectful** and being a **learner**, - pupils thrive academically and socially, becoming well-rounded individuals ready to succeed in school and beyond.

Congratulations to the following children who have been awarded the 'Pupil of the Week' certificate this week for upholding the Weston Schools' Federation core values.

Well done Daniel keep up the hard work!

I am so proud of how well Camila has settled into life at school. Camila has made lots of friends and built strong, positive relationships. Nate's focus and enthusiasm for learning have shone through this week whilst his dedication to making every piece of work the best it can be has been evident through the success he has had. His oracy skills, in both writing and maths lessons, have inspired others and shown how hard he is thinking about what he says and how he explains things. Well done Nate!

Class 5G winner is Monnae

Monnae has really impressed me with her resilience this week. She has produced some brilliant work in school and has taken responsibility for her learning at home too. She initially found addition with regrouping quite challenging, but she showed great determination by practising it outside of school. As a result, she has made fantastic personal progress and should be very proud of herself. Keep up the good work!

Year Six

Class 6G winner is everyone!

With the Year 6 Residential Visit running alongside the 2026 "Staycation," it would be impossible to choose just one child for Pupil of the Week. Every child in one way or another has shown resilience and determination, whether it be facing a physical challenge; sleeping away from home; working in a new class room or learning a new skill. Team work has also been a key part of the week's activities for all children - for example sharing glue guns and resources in order to make a catapult or working together to complete safety checks or follow a map. Well done Year 6 - we are so proud of you!

Attendance

ATTENDANCE MATTERS

On Time: First Time, Every Time

Which CIRCLE are you in?

The government have placed huge emphasis on the monitoring of attendance in schools and have published guidance on 'improving attendance in school'. This initiative stems from vast research that proves that children who achieve great academic success in Year 6 (KS2 SATs) and Year 11 (GCSEs) are those same children who have good attendance in school above 96%. We want (as I am positive you do too) for your child to have the best opportunities in life and to grow up to be successful young adults. To ensure this, it is our joint responsibility to ensure children receive their entitlement and right to an education, this means attending school every day. We have shared with you our school's approach to managing and challenging poor attendance. If you have any questions, please feel free to contact us.

Moments Matter/Attendance Counts. We are working hard to support you and your children overcome their barriers to attending school every day and on time - if you need help or support please see Nicki Windle, Charlotte Dugdale. Let's work together to make sure your children don't miss out!

Weekly Attendance

This weeks attendance winners are Year 2 and Year 3 at Weston Park, and Year R at Weston Shore.

Congratulations to all the children in the winning year groups, what an outstanding attendance this week! Your dedication to being present and engaged in your learning is truly commendable. Keep up the fantastic work, and continue to set a great example for the rest of the school.

Safety at Weston Schools' Federation

At Weston Park Schools Federation, we learn how to stay safe in lots of ways. Our curriculum teaches children about online safety, road safety, health and wellbeing, and how to keep themselves and others safe. Pupils practise speaking up, asking for help, and making sensible choices. Assemblies, visitors from the community, and regular drills help reinforce key messages, ensuring children feel confident, supported, and safe every day at school. Working together builds trust, awareness, and responsibility across our school community.
