Celebration - Friday 25th September 2026

Weekly Appreciations

At Weston Schools Federation, one of our key Oracy Benchmarks is **“Values Every Voice.”** This reflects our commitment to ensuring that every child is supported to take part confidently in spoken language activities and to know that their ideas matter.

This week, our children have been practising this benchmark by expressing gratitude and sharing kind words with others. **Below, you'll find some of the thoughtful messages of thanks they have chosen to share.**

Year 1 - All the children would like to show their appreciation to Miss Thorn, Miss Jenks, Miss Freeman, Miss Simmonds, Mr Matthews and Mrs Ursache for working so hard to help them learn everyday.

Year 2 - Sienna: "I want to show appreciation to Victoria for helping me with my learning"

Year 3 - "I want to show appreciation to Ayana for helping me in my maths learning when I was stuck." Gabriel

Year 4 - Mrs Khan would like to show appreciation for Sophie for helping children with their round and adjusting maths.

Year 5 - "I appreciate my sister and best friend, who are both called Skyla (and Skylar)!" ~ Renee

Year 6 - Alex would like to show appreciation to Mrs Boston for helping with his long multiplication.

ATTENDANCE MATTERS

On Time: First Time, Every Time

Which CIRCLE are you in?

The government have placed huge emphasis on the monitoring of attendance in schools and have published guidance on 'improving attendance in school'. This initiative stems from vast research that proves that children who achieve great academic success in Year 6 (KS2 SATs) and Year 11 (GSEs) are those same children who have good attendance in school above 96%. We want (as I am positive you do too) for your child to have the best opportunities in life and to grow up to be successful young adults. To ensure this, it is our joint responsibility to ensure children receive their entitlement and right to an education, this means attending school every day. We have shared with you our school's approach to managing and challenging poor attendance. If you have any questions, please feel free to contact us.

Moments Matter/Attendance Counts. We are working hard to support you and your children overcome their barriers to attending school every day and on time - if you need help or support please see Nicki Windle, Charlotte Dugdale. Let's work together to make sure your children don't miss out!

Weekly Attendance

This weeks attendance winners are Year 2 and Year 3 at Weston Park, and Year R at Weston Shore.

Congratulations to all the children in the winning year groups, what an outstanding attendance this week! Your dedication to being present and engaged in your learning is truly commendable. Keep up the fantastic work, and continue to set a great example for the rest of the school.

Safety at Weston Schools' Federation

At Weston Park Schools Federation, we learn how to stay safe in lots of ways. Our curriculum teaches children about online safety, road safety, health and wellbeing, and how to keep themselves and others safe. Pupils practise speaking up, asking for help, and making sensible choices. Assemblies, visitors from the community, and regular drills help reinforce key messages, ensuring children feel confident, supported, and safe every day at school. Working together builds trust, awareness, and responsibility across our school community.
