Weekly Appreciations

At Weston Schools Federation, one of our key Oracy Benchmarks is **"Values Every Voice."** This reflects our commitment to ensuring that every child is supported to take part confidently in spoken language activities and to know that their ideas matter.

This week, our children have been practising this benchmark by expressing gratitude and sharing kind words with others. **Below, you'll find some of the thoughtful messages of thanks they have chosen to share.**

Year 1 - Lucas - "I appreciate George because he always let me play his games."

Year 2 - Jeremiah- "I appreciate getting to play with my friends at breaktime and lunchtime.

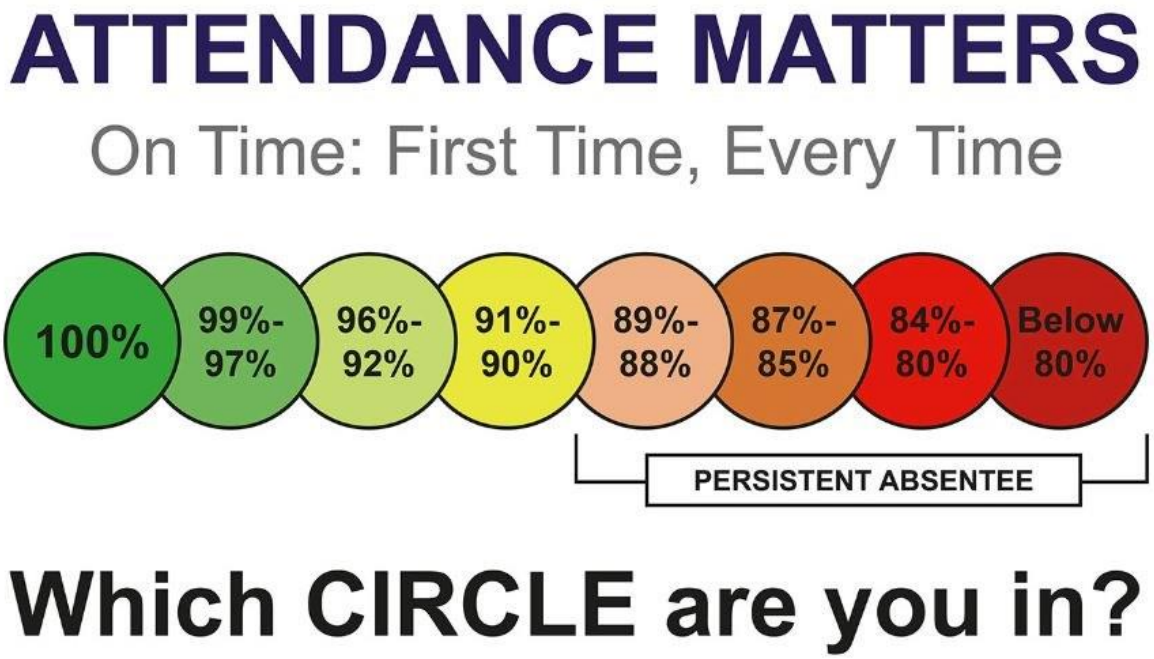

Year 3 - "I want to show my appreciation to all of year 3 for showing great resilience and determination in completing their tests this week." Miss Cornell

Year 4 - "I appreciate Louie as he always helps give out the books." Mrs Morgan.

Year 5 - ''I appreciate Mrs. Taylorson for driving us to swimming" ~ Nate

Year 6 - "I appreciate Mrs Taylorson as she helps everyone" - Tommy.

Attendance

The government have placed huge emphasis on the monitoring of attendance in schools and have published guidance on 'improving attendance in school'. This initiative stems from vast research that proves that children who achieve great academic success in Year 6 (KS2 SATs) and Year 11 (GSCEs) are those same children who have good attendance in school above 96%. We want (as I am positive you do too) for your child to have the best opportunities in life and to grow up to be successful young adults. To ensure this, it is our joint responsibility to ensure children receive their entitlement and right to an education, this means attending school every day. We have shared with you our school's approach to managing and challenging poor attendance. If you have any questions, please feel free to contact us.

Moments Matter/Attendance Counts. We are working hard to support you and your children overcome their barriers to attending school every day and on time - if you need help or support please see Nicki Windle, Charlotte Dugdale. Let's work together to make sure your children don't miss out!

Weekly Attendance

This weeks attendance winners for Weston Park are Year 2 and Year 4. For Weston Shore Year 2. Well done!

Safety at Weston Schools' Federation

At Weston Park Schools Federation, we learn how to stay safe in lots of ways. Our curriculum teaches children about online safety, road safety, health and wellbeing, and how to keep themselves and others safe. Pupils practise speaking up, asking for help, and making sensible choices. Assemblies, visitors from the community, and regular drills help reinforce key messages, ensuring children feel confident, supported, and safe every day at school. Working together builds trust, awareness, and responsibility across our school community.
